Genealogies of the Future | Lubumbashi Biennale VI - Uriel ...

Simone de Beauvoir has been commonly criticized for separating women from nature and attempting to make women "like men", as beings that dominate nature. I defend Beauvoir's existential concept of freedom as a non-sovereign relationship with nature. I then use the existential model constructed from my defense of Beauvoir as a framework with which to critique and engage Jürgen Habermas ...

An Existential Ecofeminism and a Renewed Critical Theory ...

Earthkeeping means taking care of God's gift of creation--the planet and the plants and animals that live on it. The term refers to God's command to till and "keep" the earth in Genesis 2:15. This passage tells us that "The Lord God took the man and put him in the garden to till it and keep it". To "keep" the earth is to care for it as God ...

Earthkeeping / Earthshaking: Art, Feminism and Ecology Taking the North American feminist art magazine "Heresies 13" as a starting point, the exhibition "Earthkeeping / Earthshaking" intends to showcase the pioneering role of certain artists, and act as an incentive to fruitful reflection on the Art-Feminism-Ecology triangle.

Jardins Abertos

From 1979-1991, Moore was a member of the Heresies Collective, which published Heresies: A Feminist Publication on Art and Politics from 1977 to 1992. Moore's involvement began when she started meeting regularly as part of the editorial collective of the Heresies Magazine Issue #13: Earthkeeping / Earthshaking: Feminism & Ecology 1979. She later became a member of the Mother Collective.
