Earthly Remains, the 26th novel in Donna Leon's Commissario Guido Brunetti Series, was a bit of a disappointment. I have been a fan of this series since I read the 1st book years ago and Commissario Guido Brunetti has become one of my favorite book characters and of course the way that the author portrays the everyday life of Venice.

### Earthly Remains (Commissario Brunetti, #26) by Donna Leon

An excellent account of what mankind, through its long history, has done with the remains of its deceased. Through what has been found, over the years, we have tried to piece together the cultures, religions, eating habits, diseases and every aspect of life by the peoples who have preceded us. The little that we know has, to a large degree, been determined from clues presented when remains have ...
