Teaching History. History is an incredibly valuable subject to learn, it builds enquiry skills, fuels the imagination and helps children feel a sense of self in a wider context. But some may not feel confident in teaching history to their children or pupils. With thousands of years to cover, it can be hard to know where to start.

Rainwater harvesting (RWH) is a practice of growing importance in the United Kingdom, particularly in the South East of England where there is less water available per person than in many Mediterranean countries. Rainwater harvesting in the UK is both a traditional and reviving technique for collecting water for domestic uses. This water is generally used for non-hygienic purposes like ...

When I began teaching many years ago, one out of my 26 students spoke a second language. This year, seven of my 21 students speak a language other than English in their homes, including Arabic, Chaldean, Chinese, Greek, Hindi, and Portuguese. Leading a classroom and living in a country filled with such diversity is cause for celebration.

Life in England. For hundreds of years, religion has played a central role in English life. Christianity was introduced in the first several centuries after Christ. Catholicism was widespread until King Henry VIII's famous break from papal authority and his establishment of the Church of England, which is still the state church today. The number of adherents to non-Christian religions has ...
