The right consequences actually motivate your child to good behavior. They put you back in control and teach your child how to problem-solve, giving your child the skills needed to be a successful adult. Know that effective consequences are not punishments. Indeed, I say all the time that you can't punish your child into behaving better.

How to Motivate the Unmotivated Child | Empowering Parents

It also builds the confidence of parents and kids when facing challenges such as staying safe online, digital etiquette, and how to navigate the potential pitfalls of social media. Help Your Kids with Computer Science supports the Key Stage 1 to 5 curriculum in the UK, including GCSE and A-level Computer Science, and beyond.
